

“Boomarang Bistro and Bar Grand Opening”

Boomarang Bistro and Bar celebrated its Grand Opening on October 8, 2008! It was attended by over 500 guests including Celebrities, Media, F & B Connections, Property People, some psg SG staff and a few other special guests who, in keeping with the theme, shared an authentic Aboriginal Smoke Ceremony. In addition, to commemorate the event and to bring good luck to this new, first-of-its-kind establishment [in terms of its environmental aims], a Chinese Lion Dance was also performed. It was undoubtedly an unforgettable and enjoyable celebration for all!

Celebrating a GREEN Christmas in psg Manila!

Green is the theme of Manila’s yuletide decor... figuratively speaking, of course! A practical use of its recycled materials, the team opted to construct its Christmas tree by utilizing used A3 paper. Santa Clause will have to share the limelight with Mother Earth this year as more and more individuals incorporate eco-friendly ideas into their decorating ideas!

Bundles of joy... Amrut of India recently celebrated the birth of his twins on the 1st of October, 2008... Two noteworthy gifts just in time for the holidays.

In the Philippines, Paru of the Design Team was equally overjoyed to welcome a bouncing baby boy born on October 21st!

As the Yuletide Season approaches, and the year comes to a close, let us remember the bountiful blessings we have received in the past year. Despite the economic crisis and various problems that have come about as a result of this, psg has been lucky to have achieved many milestones, which include the numerous projects we continue to receive and accomplish, and generate positive feedback from. May good things continue to come our way as we prepare for the Holiday Season, and may we also remember to share these gifts with those around us!
