Merry Christmas & Happy New Year!

Our first Newsletter

Wow!! What a busy year we all had again and now the year is coming to an end for us. May I take this opportunity to extend a warm thank you and a Merry Christmas and New Year to all of you and your families on behalf of all management.

This is our first newsletter and we plan to issue one every 3 months initially but may do it more often if people wish to contribute with plenty of news and articles

Mike Harrison
Managing Director and Editor

psg getaway – Bali

This year most of us made it to Bali with our families which gave many of you a chance to meet your colleagues from other countries for the first time.

This was a very important event to share together the success of the year.

New psg offices

Over the last 12 months we added many new offices including : Mumbai, Korea, Chengdu and Tokyo and are currently looking for a new office space in Hanoi followed by Ho Chi Ming City and Bahrain.

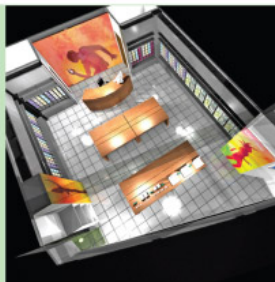

New psg people

In the last 12 months we have doubled in size and now have 70 staff across our 18 offices. Not much good having a lot of new offices and projects if we don't have good people so here are a few of the new names who have joined us in the last quarter:

- Sammy Cheng - Singapore
- Erik Ng - Singapore
- Xia Guang Bin - Beijing
- Jayrald M Nois - Manila
- Marites A Sarmiento - Manila
- Christian A Almazan - Manila

Apple

We have already started the design of many Apple reseller stores in many countries and this should keep our design teams very busy this coming year. In addition we hope to be doing much more work for Apple in the coming year and will keep you all updated.

Trip to Alabama USA

Mike and Wai Kok recently returned from a trip to Alabama to present our company details to GE who are considering using us to provide PM services for projects across Asia. Let's hope we are selected.

Do you have something to tell or a story? Then please keep it for the next edition.
